Profile

Versatile IT professional with a strong foundation in technology and problem-solving, driven by a passion for building efficient digital solutions. Skilled across various domains including development, testing, and system management, I thrive on tackling complex challenges with an analytical and agile mindset. My adaptable approach and commitment to innovation have been key to the success of my major projects. Currently pursuing a Master of Computer Applications (MCA) from MACFAST, I continue to evolve with emerging technologies to excel in the dynamic IT landscape.

Education

- **Master of Computer Applications (MCA)** | Mar Athansios College For Advanced Studies Tiruvalla (MACFAST) | 2024 – Present (2024 – 2026 Batch)
