+91 88485 20635 | christosajy.in@gmail.com | LinkedIn | GitHub | Tiruvalla, India

## PROFILE

Motivated Full-Stack Developer and MCA graduate (coursework completed, results awaited) with hands-on experience in building dynamic web applications. Proficient in Python, Django, and relational databases, with a strong foundation in designing backend logic, optimizing data schemas, and creating seamless user interfaces. Adept at agile methodologies, version control, and collaborative problem-solving.

## EDUCATION

**Master of Computer Applications (MCA) | 2024 – 2026 (Results Awaited) | MACFAST College, Tiruvalla**

**Bachelor of Computer Applications (BCA) | 2020 – 2023 | Mar Gregorios College, Tiruvalla**

## TECHNICAL AND SOFT SKILLS

**Backend Development:** Python, Django, REST Framework

**Frontend & Tools:** HTML5, CSS3, JavaScript (Basics), Git, GitHub, VS Code

**Databases:** MySQL, SQLite, Basics of PostgreSQL, Relational Database Design

**Core Concepts:** Software Development Life Cycle (SDLC), Object-Oriented Programming (OOPs), MVC Architecture

## WORK EXPERIENCE

**Project Trainee | Infodawn, Pathanamthitta | 2026**

- Collaborated with development teams to debug and optimize application modules, improving overall software stability.
- Managed version control workflows using Git and GitHub to ensure seamless code integration across the development pipeline.

**Full Stack Developer Intern | Luminar Technolab, Kochi | 2023 - 2024**

- Developed and maintained scalable backend logic and RESTful architectures using the Django framework.
- Engineered robust database schemas and executed query optimizations in MySQL to handle application data efficiently.

## PROJECTS

**MediRep - MCA Main Project (2026)**

Developed a Medical Representative Management System using Django and MySQL, implementing secure role-based authentication and dynamic CRUD functionalities for structured record management.

**Flybus - Personal Project (2024)**

Designed a full-stack parcel tracking application featuring real-time shipment monitoring and automated email alerts integrated via SMTP protocols.

## LANGUAGES

English, Malayalam, Basic Hindi
